Introduction

Impact of the COVID-19 Pandemic on 2020 NTS PUMF

Due to the occurrence of the COVID-19 pandemic, collection of the National Travel Survey was temporarily suspended in 2020, re-sulting in no available data for March, April, May and June. As this PUMF therefore only covers eight months, it cannot be used to calculate annual totals. In addition, due to the low number of respondents reporting outbound travel in Q3 and Q4, all trip destinations for these quarters have been coded to "unknown". Only in Q1 (which covers January and February) are the names of individual countries published.
